### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claims 1-27 are allowed over the prior art of record because the prior art of record, considered in combination or individually, fails to suggest or fairly teach an optical disk reproducing apparatus or method including a combination or all limitations as recited in each of claims 1, 16 and 22, or an optical disk including all limitations as recited in claim 10. Claims 2-9, 11-15, 17-21 and 23-27 are allowed with their respective parent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### *Cited References*

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The cited references relate to an optical recording/reproducing apparatus having a tracking control device for performing a tracking control related to a depth of pits, mark or groove formed on an optical disk..
